

## Four Score and More Dinner

On September 21, Kids Club prepared and served dinner to nine of the church family who are over 80 years old. Thank you to Elder Kathleen McNair, Children's Director Malcolm McKinnon, Vicky and Randy Fujishin, Guy and Mary Grable, Katie Beverly, Pastor Ed, Rachel Lockridge, Linda and Don Broesamle.

Bob and Pat Johnson, Charles and Nelda Lewis, Bobbie Bond, Joan Maruska, Donna Prior, June Christman, and Dave Berkey were the honored guests. Each received a gift made by the kids - a tile hot pad.

Karl Rhodes manned the BBQ. The chicken was delicious as was the remainder of the dinner which ended with pumpkin pie.

Our servers were members of Kids Club. They were efficient and solicitous. The guests were treated with respect and enjoyed the attention of all of the kids.

After dessert, Pastor Ed asked the guests questions submitted by the kids.

Here are some of those questions:

- What did you do when you did not have TV? (The majority of the questions were about TV)
- How did you get to school?
- What did you listen to on the radio?
- What do you do at church?
- Have you ever ridden a camel or elephant in another country?
- Did you have a phone?
- Did you have a computer?
- Did you have cars?
- What is your favorite Bible story?

If these kids are the future church, we need not worry. They are thoughtful, kind, interested in others and hard working.

## Church Keys

Pastor Ed once asked, "Do you get a church key automatically when you become a member of FPC?" He was joking, but now we are asking that the office be notified if you have a key to the church.

Please note: Be sure the church doors are locked when you leave the church. Call or email the church office to let them know if you have a key and the letter on your key.

## Weeds

Needed: Weeders!! Feel free to pull a few weeds in the front flower garden. Every little bit improves the look of the garden.

## Eye Glasses

It's time to once again collect the eye glasses you can no longer use. Leave your donation in the copy room. They will be delivered to the office of Midtown Optometry in Santa Cruz who will donate them to the Lions.

## Free Lunch Tuesday

On September 17, a group of seventeen folks involved with Free Lunch Tuesday gathered for supper. These folks are faithful contributors to the feeding of the hungry at FPC. The quote below from Sister Dolores is an accurate description of what takes place on Tuesdays. The Tuesday team is caring, kind and faithful. They are great representatives of God's love.

*In our soup kitchens we provide for people who are drifters. They come for a meal, and some of them don't eat at all. They just want to be there in an atmosphere of peace and tranquility. Most people don't just want soup, they want contact where they are appreciated, loved, feel wanted, and find some peace in their hearts. It's the personal touch that matters.*

## Buddhist Nuns Bike 2485 Miles

Hundreds of nuns trained in Kung Fu are biking the Himalayas. Clad in black sweat pants, red jackets and white helmets, 500 nuns from the Buddhist sect known as the Drukpa Order pedaled steep, narrow mountain passes to India from Nepal. This trek was 2485 miles.

The purpose of this trek was to raise awareness about human trafficking in the remote region.

"When we were doing relief work in Nepal after the earthquakes last year, we heard how girls from poor families were being sold because their parents could not afford to keep them anymore," 22-year-old nun, Jigme Konchok Lhamo, told the Thomson Reuters Foundation.

"We wanted to do something to change this attitude that girls are less than boys and that it's okay to sell them," she said, adding that the bicycle trek shows "women have power and strength like men."

South Asia may boast women leaders and be home to cultures that revere motherhood and worship female deities, but many girls and women live with the threat of violence and without many basic rights.

**The Love of God**

Could we with ink the ocean fill,  
And were the skies of parchment made,  
Were every stalk on earth a quill  
And every man a scribe by trade;  
To write the love of God above  
Would drain the ocean dry;  
Nor could the scroll contain the whole,  
Though stretched from sky to sky.
